

AMENDMENTS TO THE DRAWINGS

Please replace current drawing sheet 1 of 3, containing FIGS. 1 and 2, with the enclosed replacement sheet. FIG. 1 has been amended to replace the instance of reference numeral 2a on the left-hand side of the drawing with reference numeral 4, to identify the O-ring. FIG. 2 has been amended to lengthen the lead line extending from reference character 9 into the pump chamber. FIG. 2 has also been amended to replace reference numeral 4 with reference numeral 25, to identify the membrane seat surface. A new reference numeral 4 and accompanying lead line have been added to FIG. 2 to identify the O-ring. The Applicant submits that these amendments to FIGS. 1 and 2 do not introduce any new matter.
